"I've never had cancer. But I'd be crazy to ignore it. I know many cancers can be cured if they're detected early. But you've got to know the warning signals: Change in bowel or bladder habits. A sore that does not heal. Unusual bleeding or discharge. Thickening or lump in breast or elsewhere. Indigestion or difficulty in swallowing. Obvious change in wart or mole. Nagging cough or hoarseness.

"If one of them appears, see your doctor right away. The odds are you don't have cancer. But only your doctor can tell you that for sure."

In Memoriam

Christmas without you darling,
Won't be the same,
God lent you to me for a little while and I'll always cherish your name.
You are not forgotten loved one,
Nor will you ever be,
As long as life and memory last.
I'll always remember thee.
Sadly missed by Wife,
Mrs. W. C. Woody, Jr. 12-19-1t

In sad but loving memory of my husband, Warren D. Carter, who passed away one year ago today, December 20, 1973.

To some you may be forgotten,
To others a part of the past.
But us who loved and lost you
Your memory will always last.
Sadly missed by wife, daughter, grandchildren and great grandchildren. 12-19-1p

HARDING: In loving memory: Bennett Harding, died nine years ago, December 26, 1965.
Sad memories crowd this time of year.
When we lost the one we loved so dear.
Deep in our hearts you will always stay.
No treasure on earth can replace you.
Sadly missed by wife and daughters. 12-19-1p

In remembrance of Everett (Pete) Martin:
Christmas Day is getting closer, but there is sadness mixed with joy, everyday a few more questions from our little 5 year old boy.
Not alone, but he'll be lonely, for his daddy won't be here, just like the air at Christmas, there will be a chill upon your chair.
Christmas without you daddy will be such a lonely day, we will send a prayer and all of our love to you so far away.
Your son just wrote to Santa asking him to send you home, because Christmas without daddy is so blue and all alone.
Sadly missed by wife and son E. W. Jr. 12-19-1p

Freeze In Highway Work

Department of Highways.

From this discussion it appears the current financial situation of the Department is such that there will be no new highway work awarded until late next year.

The road construction industry cannot survive such a freeze. This is over a $500 million a year industry. Approximately $300 million of this is in road construction. The industry - road contractors, equipment dealers, stone, sand and gravel producers, materials suppliers, insurance and bonding companies, banks and many related industries will be affected.

Immediately the effect will be felt by the contractors and suppliers. They anticipated layoffs of 50% or better by next spring as present work is completed. As this effect reflects through the industry

The Virginia Road Builders Association has met with Highway and Transportation Commissioner Douglas B. Fugate and Deputy Commissioner John E. Harwood to discuss the sudden and unexpected freeze in highway work by the
